*Thank you for your continued business!*

*We are always here for you for any questions or concerns you might have.*

1. Weather and road conditions will delay your garbage and recycling pick-ups by one week.
2. Set garbage and recycling out by 7:00am!
3. Unacceptable or incorrectly prepared recycling will not be picked up.
4. Please contain glass separately & place next to recycling bin.
5. Anything not completely inside the roll cart or next to it is considered extra garbage.
6. It is the customer's responsibility not to overload the garbage container to ensure that materials will fall out freely. We are not responsible for anything left within 3 ft of garbage or recycling containers.
7. If garbage or recycling is missed, call our office same day.
