

Dear Ecosystems Customers,

We recently received word that the recycling facility is now accepting SOME plastic materials in the commingled recycling! On the following page you can locate the updated Recycling Information Sheet.

It is still VERY important that we adhere to these guidelines, in order to keep this privilege. Thank you so much for your attention to detail, and your willingness to help us keep recycling with integrity!

We appreciate you all,

The Pelroy Family,

Ecosystems Transfer & Recycling

## Recycling Instructions

As members of the community, recycling is an important aspect of our business. It is our duty to keep recycling as straight forward and sustainable as possible. Please help us in our mission by adhering to the following guidelines. If recycling does not meet the guidelines, we will leave a pink note with further instructions. We appreciate you!

Our Commingled Recycling Program consists of Paper, Cardboard, #1 and #2 Plastic, & Tin/Aluminum. Glass is acceptable in a separate container.

All recyclable items should be free of food debris, clean, and broken down.

### Paper/Cardboard

- Newspaper
- Cardboard
- Magazines/Catalogs
- Paper Bags
- Cardboard Egg Cartons
- Food boxes
- Papers (office, school, & junk mail)
- Phone Books

All paper must be clean

**(No paint, glitter, food etc)**

### Tin/Aluminum

- Canned Food
- Beverage Cans

**All Cans MUST be free of food contaminants.**

### Plastic- Household Items Only

- #1- Water bottles, soda bottles, clear plastics
- #2- Milk jugs, juice containers, shampoo bottles, cleaning product containers

Please NO lids, NO spray nozzles, & NO multi colored plastic, ie cottage cheese containers. **All plastic must be rinsed & dried.**

### Glass- To be set out in separate container

- Only glass containers that contain food or beverage, free of food debris

**No lightbulbs, ceramics, or other household/broken glass, or Pyrex.**

We take **Motor Oil** in sealed containers, set beside your recycling box.

**NO STYROFOAM, PIZZA BOXES, TISSUE PAPER, PLASTIC WRAP,**

**FOIL, SHREDDED PAPER, AEROSOL  
CANS, TIRES, CLOTHING OR WOOD  
PRODUCTS.**
